

Brand new day - Sting

Si Mim7 La Si
Si Mim7 La Si

Mim7
How many of you people out there been hurt in some kind of love affair?
La Si
And how many times did you swear that you'd never love again?

Mim7
How many lonely, sleepless nights? How many lies, how many fights?
La Si
And why would you wanna put yourself through all of that again?

Mim7
Love is pain I hear you say love is a cruel and bitter way of
La Si
paying you back for all the faith you ever had in your brain

How could it be that what you need the most
Mim7

can leave you feeling just like a ghost?
La Si
You never want to feel so sad and lost again

Remaj7
One day you could be looking through an old book in rainy weather
Mimaj7 La
You see a picture of her smiling at you when you were still together
Si Remaj7
You could be walking down the street and who should you chance to meet?
Mimaj7
But that same old smile you've been thinking of all day?

Si
Why don't we turn the clock to zero honey?
Mim7
I'll sell the stock we'll spend all the money,
La Si
We're starting up a brand new day

Turn the clock all the way back
Mim7 La Si
I wonder if she'll take me back, I'm thinking in a brand new way
Mim7
Turn the clock to zero sister, you'll never know how much I missed her
La Si
starting up a brand new day

Turn the clock to zero boss
Mim7 La Si
the rivers wide we'll swim across, we're starting up a brand new day

It could happen to you just like it happened to me
Mim La

There is simply no immunity there's no guarantee
Si

I say love is such a force if you find yourself in it
Mim
you need some time for reflection you say, baby wait a minute

wait a minute wait a minute, wait a minute wait a minute, wait a minute

Si
 Why don't we turn the clock to zero honey?
 Mim7
 I'll sell the stock we'll spend all the money
 La Si

 Turn the clock to zero back,
 Mim7 La Si

 Mim7
 I'm the plough and you're the land, you're the glove and I'm the hand
 La Sol
 I'm the train and you're the station, I'm the flagpole to your nation
