If the night turned cold and the stars looked down
And you hug yourself on the cold cold ground
Lam7 Re
You wake the morning in a stranger's coat
Mim
But no one would you see...

Lam7 Sim7
You'd ask yourself, who'd watch for me?
Mim Do#m7b5
My only friend, who could it be?
Domaj7 Si7
It's hard to say it, I hate to say it
Mim
But it's probably me...

When your belly's empty and the hunger's so real
You're too proud to beg and too dumb to steal
You search the city for your only friend
No one would you see...

You ask yourself, who'd watch for me?
A solitary voice to speak out and set me free
I hate to say it, I hate to say it
But it's probably me...

Lam7 Re
You're not the easiest person I ever got to know
Sol9 Mim Fa#m Sol Mim
And it's hard for us both to let our feelings show
Lam7 Re
Some would say I should let you go your way
Sol9 Sol
You'll only make me cry...

Lam7 Sim7
Well, if there's one guy, just one guy
Mim Do#m7b5
Who'd lay down his life for you and die
Domaj7 Si7
I hate to say it, I hate to say it
Mim
But it's probably me...

When the world's gone crazy and it makes no sense
There's only one voice that comes to your defence
Lam7 Re
When the jury's out and your eyes search the room

And one friendly face is all you need to see...

If there's one guy, just one guy
 Who'd lay down his life for you and die
 I hate to say it, I hate to say it
