

Mad about You - Sting

Lam Lam/Do
A stone's throw from Jerusalem
Famaj7 Mi
I walked a lonely mile in the moonlight
Lam Lam/Do
And though a million stars were shining
Famaj7 Mi
My heart was lost on a distant planet
Lam Lam/Do
That whirls around the April moon
Famaj7 Mi
Whirling in an arc of sadness
Lam Lam/Do
I'm lost without you
Mi Mi
I'm lost without you
Famaj7 Rem7
Though all my kingdoms turn to sand
Ladim7 Mi
And fall into the sea
Lam Lam/Sol
I'm mad about you
Fa Mi Lam
I'm mad about you

Lam Lam/Do
And from the dark secluded valleys
Famaj7 Mi
I heard the ancient songs of sadness
Lam Lam/Do
But every step I thought of you
Famaj7 Mi
Every footstep only you
Lam Lam/Do
And every star a grain of sand
Famaj7 Mi
The leavings of a dried up ocean
Lam Lam/Do
Tell me, how much longer?
Mi Mi
How much longer?
Lam Lam/Do
They say a city in the desert lies
Famaj7 Mi
The vanity of an ancient king
Lam Lam/Do
But the city lies in broken pieces
Famaj7 Mi
Where the wind howls and the vultures sing
Lam Lam/Do
These are the works of man
Famaj7 Mi
This is the sum of our ambition
Lam Lam/Do
It would make a prison of my life
Mi Mi
If you became another's wife

Famaj7 Rem7
 With every prison blown to dust
 Ladim7 Mi
 My enemies walk free
 Lam Lam/Sol
 I'm mad about you
 Fa Mi Lam
 I'm mad about you

Doad9 Mi
 And I have never in my life
 Lasus4
 Felt more alone than I do now
 Sib Fa
 Although I claim dominions over all I see
 Do/Mi
 It means nothing to me
 Rem7
 There are no victories
 Ladim7 Mi Mi7
 In all our histories, without love

Lam Lam/Do
 A stone's throw from Jerusalem
 Famaj7 Mi
 I walked a lonely mile in the moonlight
 Lam Lam/Do
 And though a million stars were shining
 Famaj7 Mi
 My heart was lost on a distant planet
 Lam Lam/Do
 That whirls around the April moon
 Famaj7 Mi
 Whirling in an arc of sadness
 Lam Lam/Do
 I'm lost without you
 Mi Mi
 I'm lost without you
 Famaj7 Rem7
 And though you hold the keys to ruin
 Ladim7 Mi
 Of everything I see
 Famaj7 Rem7
 With every prison blown to dust,
 Ladim7 Mi
 My enemies walk free
 Famaj7 Rem7
 Though all my kingdoms turn to sand
 Ladim7 Mi
 And fall into the sea
 Lam Lam/Sol
 I'm mad about you
 Fa Mi Lam
 I'm mad about you
