

Why should I cry for You - Sting

Capotasto al 1° tasto

Sol Mim7 Doadd9 Sol
Under the dog-star sail
 Mim7 Doadd9 Sol
Over the reefs of moonshine
 Doadd9
Under the skies of fall
Sol Do Re Sol
North-north-west, the stones of Faroe

Sol Mim7 Doadd9 Sol
Under the Arctic fire
 Mim7 Doadd9 Sol
Over the seas of silence
 Mim7 Doadd9 Sol
Hauling on frozen ropes
 Do Re Sol
For all my days remaining
Do Re Sol
Would north be true?

Sol Mim7 Doadd9 Sol
All colours bleed to red
 Mim7 Doadd9 Sol
Asleep on the ocean's bed
 Mim7 Doadd9 Sol
Drifting in empty seas
 Do Re Sol
For all my days remaining
Do Re Sol
Would north be true?
Mim
Why should I,
Do Re Sol
Why should I cry for you?

Sol Mim7 Doadd9 Sol
Dark angels follow me
 Mim7 Doadd9 Sol
Over a godless sea
 Mim7 Doadd9 Sol
Mountains of endless falling
 Do Re Sol
For all my days remaining
Do Re Sol
What would be true?

 Mim Do Re Mim
Sometimes I see your face,
 Do Re Mim
The stars seem to lose their place
 Do Re Mim
Why must I think of you?
 Do
Why must I?
 Sol
Why should I?

Do Sol
Why should I cry for you?
Do Sol
Why would you want me to?
Do Sol
What would it mean to say,
Do Re Sol
"I loved you in my fashion"?
Do Re Sol
What would be true?
Mim
Why should I,
Do Re
Why should I cry for you?
Sol
Why should I cry?...
