Taylor Swift - All too well

```
Do Sol Lam Fa
Do Sol Lam Fa

  Do                                Sol
I walked through the door with you, the air was cold
    Lam                            Fa
But something 'bout it felt like home somehow, and I,
Do                            Sol
Left my scarf there at your sister's house
        Lam                      Fa
And you still got it, in your drawer, even now

Do Sol Lam Fa

         Do                          Sol
Oh, your sweet disposition and my wide-eyed gaze
      Lam                            Fa
We're singing in the car, getting lost upstate
Do                                Sol
Autumn leaves falling down like pieces into place
      Lam                     Fa
And I can picture it after all these days

      Do                               Sol
And I know it's long gone and, that magic's not here no more
      Lam                         Sol            Fa   Sol   Lam  Fa
And I might be okay but I'm not fine at all oh, oh, oh

       Do                           Sol
'Cause there we are again on that little town street
    Lam                                  Fa
You almost ran the red 'cause you were lookin' over at me
          Do                         Sol                  Lam   Fa
Wind in my hair, I was there, I remember it all too well

      Do                             Sol
Photo album on the counter, your cheeks were turning red
                 Lam                             Fa
You used to be a little kid with glasses in a twin-size bed
         Do                                            Sol
And your mother's telling stories 'bout you on the t-ball team
    Lam                                      Fa
You tell me 'bout your past thinkin' your future was me

      Do                                    Sol
And I know it's long gone and there was nothing else I could do
         Lam                                  Sol                Fa Sol Lam Fa
And I forget about you long enough to forget why I needed to

       Do                          Sol
'Cause here we are again in the middle of the night
      Lam                                   Fa
We're dancing 'round the kitchen in the refrigerator light
         Do                          Sol                  Lam   Fa
Down the stairs, I was there, I remember it all too well

Do Sol Lam Fa Sol

             Do                                Sol
Maybe we got lost in translation, maybe I asked for too much
               Lam                                  Fa
But maybe this thing was a masterpiece 'til you tore it all up
        Do                            Sol                Lam  Fa
Running scared, I was there, I remember it all too well
```

By TestoeAccordi.it

```
         Do                          Sol
Hey, you call me up again just to break me like a promise
   Lam                          Fa
So casually cruel in the name of being honest
          Do                             Sol
I'm a crumpled up piece of paper lyin' here
                     Lam         Fa
'Cause I remember it all, all, all too well

Do Sol Lam Fa

Do                             Sol
Time won't fly, it's like I'm paralyzed by it
            Lam                             Fa
I'd like to be my old self again but I'm still tryin' to find it
      Do                                    Sol
After plaid shirt days and nights when you made me your own
        Lam                           Fa
Now you mail back my things and I walk home alone
        Do                              Sol
But you keep my old scarf from that very first week
            Lam                               Fa
'Cause it reminds you of innocence and it smells like me
              Do                       Sol                Lam     Fa
You can't get rid of it 'cause you remember it all too well, yeah

       Do                          Sol
'Cause there we are again when I loved you so
Lam                                  Fa
Back before you lost the one real thing you've ever known
       Do                       Sol               Lam  Fa
It was rare, I was there, I remember it all too well
           Do                             Sol
Wind in my hair, you were there, you remember it all
         Lam                              Fa
Down the stairs, you were there, you remember it all
       Do                       Sol                Lam   Fa
It was rare, I was there, I remember it all too well
