

Bad Blood - Taylor Swift

Sol

'Cause, baby, now we got bad blood

You know it used to be mad love

So take a look what you've done

'Cause, baby, now we got bad blood

Hey

Now we got problems

And I don't think we can solve them

You made a really deep cut

And, baby, now we got bad blood

Hey

Do Sol

Did you have to do this?

Re Mim

I was thinking that you could be trusted

Do Sol Re Mim

Did you have to ruin what was shiny?

Now it's all rusted

Do Sol Re

Did you have to hit me, where I'm weak?

Mim

Baby, I couldn't breathe

Do Sol

And rub it in so deep,

Re Mim

salt in the wound like you're laughing right at me

Do Sol Re Mim Do Sol Re

Oh, it's so sad to think about the good times, you and I
