Taylor Swift - Betty

```
Do  Do/Si  Lam  Sol4  Fa Sol4

Do       Do/Si            Lam
 Betty, I won't make assumptions
      Sol4                 Fa
About why you switched your homeroom
                           Sol4
But I think it's cause of me
Do       Do/Si            Lam
 Betty, one time I was riding
      Sol4             Fa
on my skateboard when I passed your house
                     Sol4
It's like I couldn't breathe

Do             Do/Si          Lam
You heard the rumors from Inez
            Sol4            Fa
You can't believe a word she says most times
                     Sol4
But this time it was true
    Lam          Sol      Do    Fa
The worst thing that I ever did
    Lam     Sol      Fa   Sol
was what I did to you

               Do                 Do/Si
But if I just showed up at your party
          Lam                  Sol
Would you have me? Would you want me?
          Fa             Lam
Would you tell me to go fuck myself
   Sol
Or lead me to the garden?
       Do                Do/Si
In the garden would you trust me
     Lam               Sol            Fa
If I told you it was just a summer thing?
         Lam           Sol
I'm only seventeen, I don't know anything
                  Do
But I know I miss you

Do/Si  Lam  Sol4  Fa  Fa  Sol4

Do       Do/Si             Lam
 Betty, I know where it all went wrong
     Sol4             Fa
Your favorite song was playing
                          Sol4
from the far side of the gym
Do      Do/Si           Lam
 I was nowhere to be found
           Sol4
I hate the crowds you know that
Fa                         Sol4
 Plus I saw you dance with him

Do             Do/Si          Lam
You heard the rumors from Inez
            Sol4            Fa
You can't believe a word she says most times
                     Sol4
But this time it was true

    Lam          Sol      Do    Fa
The worst thing that I ever did

Or lead me to the garden?
       Do                Do/Si
In the garden would you trust me
     Lam              Sol4         Fa
If I told you it was just a summer thing?
         Lam           Sol4
I'm only seventeen, I don't know anything
                  Do
But I know I miss you

Do/Si  Lam  Sol4  Fa  Fa  Sol

Lam                    Sol
I was walking home on broken cobblestones
               Fa
Just thinking of you when she pulled up
       Sol
Like a figment of my worst intentions
Lam                            Sol
She said, "James get in let's drive." Those days
            Fa
turned into nights, slept next to her
   Sol                           Do
But I dreamt of you all summer long

Do/Si  Lam  Sol4  Fa  Fa  Sol4
Lam    Sol Fa
Fam

Do       Do/Si              Lam
 Betty, I'm here on your doorstep
      Sol4              Fa
And I planned it out for weeks now
                          Sol4
But it's finally sinking in
Do       Do/Si              Lam
 Betty, right now is the last time
      Sol4            Fa
I can dream about what happens when
                Sol4
You see my face again
    Lam   Sol       Do       Fa
The only thing I want to do
   Lam      Sol     Fa    Sol
Is make it up to you
     Do                 Do/Si  Lam Sol4 Fa  Mim Sol4
So I showed up at your party
     Do                    Do/Si  Lam Sol4 Fa  Mim Sol4
Yeah, I showed up at your party

        Re                 Re/Do#
Yeah, I showed up at your party
         Sim               La
Will you have me will you love me

```
         Sol              Re/Fa#
Will you kiss me on the porch
            Mim               La
In front of all your stupid friends?
       Re                Re/Do#
If you kiss me, will it be
            Sim
just like I dreamed it
        La                  Sol
Will it patch your broken wings
         Re/Fa#         Mim            La
I'm only seventeen, I don't know anything
             Re        La Sol
But I know I miss you

Sol                 Re        La Sol
 Standing in your cardigan
Sol              Re         La Sol
 Kissing in my car again
Sol
Stopped at a streetlight
            Re        Re/Fa# Sol
you know, I miss you
