Taylor Swift - Cornelia Street

Do Sol Lam Fa

```
               Do
We were in the backseat
                   Sol                                  Lam   Fa
Drunk on something stronger than the drinks in the bar
          Do
"I rent a place on Cornelia Street"
Sol                     Lam   Fa
I say casually in the car
          Do
We were a fresh page on the desk
Sol                           Lam  Fa
Filling in the blanks as we go
          Do                            Sol
As if the street lights pointed in an arrow head
           Lam   Fa
Leading us home

                    Do                         Sol
And I hope I never lose you, hope it never ends
                  Lam            Fa
I'd never walk Cornelia Street again
                 Do                              Sol
That's the kinda heartbreak time could never mend
                  Lam            Fa
I'd never walk Cornelia Street again
          Do          Sol                Lam                        Fa
And baby, I get mystified by how this city screams your name
          Do           Sol              Lam
And baby, I'm so terrified of if you ever walk away
    Fa                            Do
I'd never walk Cornelia Street again
    Sol                            Lam   Fa
I'd never walk Cornelia Street again

                     Do
Windows swung right open, autumn air
Sol                            Lam    Fa
Jacket 'round my shoulders is yours
             Do
We bless the rains on Cornelia Street
Sol                           Lam    Fa
Memorize the creaks in the floor
                  Do
Back when we were card sharks, playing games
Sol                             Lam   Fa
I thought you were leading me on
            Do
I packed my bags, left Cornelia Street
  Sol                         Lam   Fa
Before you even knew I was gone

             Sol
But then you called, showed your hand
          Lam
I turned around before I hit the tunnel
Fa
Sat on the roof, you and I

                    Do                         Sol
And I hope I never lose you, hope it never ends
                  Lam            Fa
I'd never walk Cornelia Street again

          Do           Sol              Lam
And baby, I'm so terrified of if you ever walk away
    Fa                           Do
I'd never walk Cornelia Street again
    Sol                           Lam   Fa
I'd never walk Cornelia Street again

            Sol
You hold my hand on the street
        Lam
Walk me back to that apartment
       Fa
Years ago, we were just inside
                Sol
Barefoot in the kitchen
             Lam
Sacred new beginnings
                 Fa
That became my religion, listen

               Do        Sol
I hope I never lose you
                 Lam            Fa
I'd never walk Cornelia Street again
Do    Sol    Lam          Fa
  Oh-oh, never again
          Do          Sol                Lam                      Fa
And baby, I get mystified by how this city screams your name
          Do           Sol              Lam
And baby, I'm so terrified of if you ever walk away
    Fa                           Do
I'd never walk Cornelia Street again
    Sol                           Lam   Fa
I'd never walk Cornelia Street again

              Do                      Sol
I don't wanna lose you, hope it never ends

(I'd never walk Cornelia Street again)
              Lam        Fa
I don't wanna lose you (Yeah)

          Do
"I rent a place on Cornelia Street"
Sol                     Lam   Fa
I said casually in the car
