Do
You should take it as a compliment
      Do/Si                 Sol/Si                Lam      Fa  Sol
That I got drunk and made fun of the way you talk
Do
You should think about the consequence
       Do/Si         Sol/Si                     Lam       Fa  Sol
Of your magnetic field being a little too strong
Do
And I got a boyfriend, he's older than us
Do/Si
He's in the club doing I don't know what
Lam
You're so cool it makes me hate you so much
Fa                    Sol
(I hate you so much)

           Fa7+/Do         Mim
Whiskey on ice, sunset and vine
                 Fa                 Mim   Sol
You've ruined my life by not being mine

Do
You're so gorgeous
Do/Si                           Lam
I can't say anything to your face
                     Fa    Sol
'Cause look at your face
Do
And I'm so furious
Do/Si                            Lam
At you for making me feel this way
               Fa           Sol
But what can I say? You're gorgeous

Do
You should take it as a compliment
        Do/Si             Sol/Si           Lam     Fa  Sol
That I'm talking to everyone here but you
Do
And you should think about the consequence
      Do/Si           Sol/Si                 Lam     Fa  Sol
Of you touching my hand in the darkened room
   Do
If you got a girlfriend, I'm jealous of her
Do/Si
But if you're single that's honestly worse
       Lam
'Cause you're so gorgeous it actually hurts
Fa                Sol
(Honey, it hurts)

           Fa7+/Do         Mim
Ocean blue eyes looking in mine
              Fa                         Mim  Sol
I feel like I might sink and drown and die

Do
You're so gorgeous
Do/Si                           Lam
I can't say anything to your face
                     Fa    Sol
'Cause look at your face

       N.C.
Alone, unless you wanna come along, oh!
