Taylor Swift - Lover

```
Sol     Re/Fa#   Do
Sol Re/Fa# Mim Re  Do

Sol                          Re                   Do
  We could leave the Christmas lights up 'til January
Sol             Re                  Do
  This is our place, we make the rules
              Sol                  Re             Do
And there's a dazzling haze, a mysterious way about you, dear
Sol                      Re             Do
  Have I known you 20 seconds or 20 years?

    Sol     Re         Do
Can I go where you go?
       Sol      Re       Do
Can we always be this close forever and ever?
    Sol            Re               Do
And ah, take me out, and take me home
       Sol   Re/Fa# Mim  Re  Do N.C.
You're my, my,  my, my   lover

| Sol     Re/Fa#  | Do         |

Sol                    Re               Do
  We could let our friends crash in the living room
Sol             Re                  Do
  This is our place, we make the call
        Sol                      Re                      Do
And I'm highly suspicious that everyone who sees you wants you
     Sol                            Re                  Do
I've loved you three summers now, honey, but I want 'em all

Sol        Re         Do
Can I go where you go?
        Sol     Re       Do
Can we always be this close forever and ever?
    Sol           Re               Do
And ah, take me out, and take me home (Forever and ever)
       Sol   Re/Fa# Mim  Re  Do   N.C.
You're my, my,  my, my       lover

Sol                      Re/Fa#
Ladies and gentlemen, will you please stand?
Mim                        Sol7/Fa
With every guitar string scar on my hand
Do                     Mim/Si                  Lam     Re
I take this magnetic force of a man to be my ... lover
Sol                            Re/Fa#
My heart's been borrowed and yours has been blue
Mim                           Sol7/Fa
All's well that ends well to end up with you
Do                   Mim/Si              Lam     Re
Swear to be overdramatic and true to my ... lover
    Sol                     Sol7/Fa             Do
And you'll save all your dirtiest jokes for me
             Lam                       Re
And at every table, I'll save you a seat, lover

    Sol    Re         Do
Can I go where you go?
        Sol     Re       Do
Can we always be this close forever and ever?
    Sol           Re               Do
And ah, take me out, and take me home (Forever and ever)
