

Patient Zero - Taylor Swift

Do Sol Mim Re
If you wanna party with somebody who might know
Do Sol Mim Re
About the devil on his shoulder under his halo
Do Sol Mim Re
When the toxins take their hold, you'd rather die than let it go
Do Sol Mim stop
But if you're sick of him, I got you, I was patient zero

Do Sol Mim Re Do Sol
I've gotta be honest, I've been expecting your call
Mim Re
No, it's not a bad time at all
Do Sol Mim Re Do Sol
I heard somebody saying there's trouble in paradise
Mim Re
And my lips are sealed tight now

Do Sol Mim Re Do Sol
It's not for me to tell

Someone else what to do

Do Sol Mim Re
But if you wanna party with somebody who might know
Do Sol Mim Re
About the devil on his shoulder under his halo
Do Sol Mim Re
When the toxins take their hold, you'd rather die than let it go
Do Sol Mim Re
But if you're sick of him, I got you, I was patient zero

Do Sol Mim Re Do Sol
I bet he burst into your life like fireworks
Mim Re
I bet he even said "I love you" first
Do Sol Mim Re Do Sol
And when you saw another woman coming out of his place
Mim Re
I bet he kissed the rain off your face

Do Sol Mim Re Do Sol
Now he seems bored by you
N.C.
And you don't know what to do

Do Sol Mim Re
But if you wanna party with somebody who might know
Do Sol Mim Re
About the devil on his shoulder under his halo
Do Sol Mim Re
When the toxins take their hold, you'd rather die than let it go
Do Sol Mim Re Do
But if you're sick of him, I got you, I was patient zero (I was patient)
Sol Mim
I was patient zero

So let's get into it
Do Sol Rem
I know he charmed your family and friends
Re
And you thought it's 'cause he loves you

Do Sol Rem Re
 But it's 'cause he loves how everybody else loves him (Uh-huh)
 Do Sol Rem
 I know it seems like he shines so bright
 Re Do
 But he's bathing in your reflected light
 Sol Rem Re
 On a free solo social climb (Uh-huh)
 Do Sol Mim
 Take it from somebody who lost his games but won the race
 Re Do
 Take it from someone who said all of this to his face
 Sol Mim
 Someone who knows she's more than just the chase
 Re Do Sol
 Someone who had him and walked away
 Re
 And so

 Do Sol Mim Re
 If you wanna party with somebody who might know
 Do Sol Mim Re
 About the devil on his shoulder under his halo
 Do Sol Mim Re
 When the toxins take their hold, you'd rather die than let it go
 Do Sol Mim Re
 But if you're sick of him, I got you, I was patient zero

 Lam7 Sol Mim Sim
 So if you wanna kick it, then I'm with it, I've been there
 Lam7 Sol Mim Sim
 Felt the reeling, done the healing, said the curses and prayers
 Lam7 Sol Mim Sim
 When the fever turns a dreamer into a pathetic ghost
 Do Sol N.C.
 If he's killing you, I see you, I was patient zero
