

You belong with me - Taylor Swift

Fa# Fa#4 Fa# Fa#4

Fa#

You're on the phone with your girlfriend

Do#

Sol#m

She's upset, she's going off about something that you said

Si

'Cause she doesn't get your humor like I do

Fa#

Do#

I'm in the room, it's a typical Tuesday night

Sol#m

I'm listening to the kind of music she doesn't like

Si

And she'll never know your story like I do

Sol#m7

But she wears short skirts

Si

I wear T-shirts

Fa#

She's cheer captain

Do#

And I'm on the bleachers

Sol#m7

Si

Dreaming about the day when you wake up and find

Do#

That what you're looking for has been here the whole time

Fa#

If you could see

That I'm the one

Who understands you

Do#

Been here all along

Sol#m7

So, why can't you see

Si

You belong with me,

Fa# Fa#4

You belong with me

Fa#

Do#

Walk in the streets with you in your worn-out jeans

Sol#m

I can't help thinking this is how it ought to be

Si

Laughing on a park bench thinking to myself,

"Hey, isn't this easy?"

Fa#

And you've got a smile

Do#

That could light up this whole town

I haven't seen it in a while

Sol#m

Since she brought you down

You say you're fine I know you better than that

Si

Hey, what you doing with a girl like that?
