

## Angel in blue jeans - Train

Lam Do Sol Rem  
Uhh uhh uhhh uhhh uh uh  
Lam Do  
And though I never got her name  
Sol  
Or time to find out anything  
Re  
I loved her just the same

Lam Do  
And though I rode a different road  
Sol  
And sang a different song  
Re  
I'll love her till my last breaths gone  
Fa Do Sol  
Like a river made of silver  
Lam  
everyone came running to the scene  
Fa Do Rem  
I was shot down in cold blood  
Mi  
by an angel in blue jeans

Lam Do Sol Fa Lam  
Woooa oh oh oh oh oooh Woooo oh oh oh oooh

Lam Do  
Late that night she got away  
Sol  
I chased her to the turnpike  
Re  
Then lost her where the music never plays  
Lam Do Sol  
And though I rolled upon the stones and fell into the water  
Re  
I'll love her till my judgment day

Fa Do Sol  
Like a sunrise made of white lies  
Lam  
everything was nothing as it seems  
Fa Do Rem  
I was shot down in cold blood  
Mi  
by an angel in blue jeans  
Lam Do Sol Fa  
Woooa oh oh oh oh oooh Woooo oh oh oh oooh 2v

Sol Rem Fa  
I hear voices calling all around I keep falling down  
Lam  
I think my heart could pound  
Sol Rem  
right out of me I see a million different ways  
Fa Mi

To never leave this maze alive

Lam Do  
I woke up in somebody's arms

Sol  
Strange and so familiar  
Re

where nothing could go wrong

Lam Do Sol  
Barely alive or nearly dead somehow awake in my own bed

Re  
And there you are

Fa Do Sol Lam  
Like a highway headed my way life is but a dream

Fa Do Rem  
I was shot down by your love

Mi  
my angel in blue jeans

Lam Do Sol Fa Lam  
Woooa oh oh oh oh oooh Woooo oh oh oh oooh
