Calling All Angels - *Train*

```
          Sib                          Mib
I need a sign to let me know you're here
              Sib                                  Mib
All of these lines are being crossed over the atmosphere
           Sib                               Mib
I need to know that things are gonna look up
                  Sib                                  Mib
'Cause I feel us drownin' in a sea slipped from a cup
      Lab
and there is no place safe and no safe place to put my head
and you can feel the world shake from the words that I said.

     Sib  Lab  Mib                    Sib  Lab  Mib
And I           I'm callin all angels
And I           I'm callin all you angels
 Lab
I won't give up  you don't give up
 Sib
I won't give up  you don't give up
 Dom
I won't give up  you don't give up
 Reb
I won't give up  you don't give up

          Sib                          Mib
I need a sign to let me know you're here
'Cause my TV set just keeps it all from bein' clear
I want a reason for the way things have to be
I need a hand to help me love some kind of hope inside of me

     Sib  Lab  Mib                   Sib  Lab  Mib
And I           I'm callin all angels
And I           I'm callin all you angels

      Lab
When children have to play inside so they don't disappear
             Sib
And private eyes saw marriage lines cuz we don't talk free
     Dom
And football teams are kissing queens and losing sight of having dreams
      Reb
In a world where all we want is only what we want until it's ours

Lab

     Sib  Lab  Mib                   Sib  Lab  Mib
And I           I'm callin all angels
And I           I'm callin all you angels
```
