Do#m

Do#m                                    La
  On the other side of a street I knew Stood a girl that looked like you
Mi                          Si
I guess that's de'ja'  vu But I thought this can't be true
      Do#m                      La
Cause you moved to west L.A or New York or Santa Fe
   Mi                           Si
Or where ever to get away from me

Fa#m                  La
 Oh but that one night Was more than just right
Do#m                Si
 I didn't leave you cause I was all through
Fa#m                  La
 Oh I was overwhelmed and frankly scared as hell
Lab                 Lab7
 Because I really fell for you
La                Mi                      Si                    Do#m  Si
 Oh I swear to ya I'll be there for ya This is not a drive by
La              Mi                    Si                      Dodim
 Just a shy guy looking for a two-ply Hefty bag to hold my love
La               Mi                    Si                        Do#m
 When you move me everything is groovy They don't like it sue me
             Si     La              Mi
 The way you do me Oh I swear to ya I'll be there for ya
Fa#m                 Lab7
 This is not a drive by

Do#m                                    La
 On the other side of a downward spiral My love for you went viral
Mi                          Si             Do#m
 And I loved you every mile you drove away But now here you are again
   La
 So let's skip the "how you been"
    Mi                                    Si
 And get down to the "more than friends" at last

Fa#m                   La
 Oh but that one night Was still the highlight
Do#m                Si
 I didn't neeed you until I came to
Fa#m                La
 And I was overwhelmed and frankly scared as hell
Lab                 Lab7
 Because I really fell for you

La                Mi                      Si                    Do#m  Si
 Oh I swear to ya I'll be there for ya This is not a drive by
La              Mi                    Si                      Dodim
 Just a shy guy looking for a two-ply Hefty bag to hold my love
La                Mi                      Si                    Do#m
 When you move me everything is groovy They don't like it sue me
             Si     La              Mi
