U2 - Bad

```
La4  La   La4  La Re2  Re   Re2  Re 2v

La4   La   La4   La   Re2   Re   Re2   Re
If      you twist   and turn   away
La4   La   La4       La       Re2   Re    Re2   Re
If      you tear    yourself in two     again
La4   La      La4   La
If I    could, yes I   would
   Re2   Re      Re2   Re
If I       could, I  would
       La4   La   La4   La
let it go
   Re2   Re   Re2   Re    La4
surren  -  der          dislocate

La4  La   La4  La Re2  Re   Re2  Re

La4   La       La4      La
If      I could throw this lifeless
Re2    Re             Re2   Re
life  -  line to the wind    Leave this
La4    La     La4   La      Re2   Re   Re2
heart of clay, see you walk, walk    away
Re        La     Re
Into the night and through the rain
         La          Re    Re2    Re
Into the half-light and through the flame
La4   La       La4     La
If      I could through myself
Re2   Re        Re2
set  your spirit free
    Re         La4   La
I'd lead your heart  away
La4   La       Re2   Re   Re2
see you break, break   away
Re        La4    La   La4
Into the li   -   ight
La          Re2   Re   Re2   Re
and to the day
La                  Re
 hoo hoo, hoo hoo, hoo hoo
La                  Re
 hoo hoo, hoo hoo, hoo hoo
          La            Re
To let it go and so to fade away
          La            Re
To let it go and so to fade away
          La               Re
I'm wide awake, I'm wide awake
      Sol2  Re           La4   La   La4   La
wide awa  -  ake, I'm not slee - ping
     Re2   Re     Re2   Re
oh, no,      no, no

La4  La   La4  La Re2  Re   Re2  Re 2v

La4   La          La4    La
If      you should ask then maybe
Re2       Re        Re2   Re
they'd tell you what I would say
     La4   La      La4    La
true colors  fly in blue and black
        Re2   Re       Re2   Re
bruised silken  sky and burning flag
```

By TestoeAccordi.it

```
La4    La                        Re2   Re
Colours crash, collide in blood shot eyes
La4    La                  Re2   Re
 hoo hoo, hoo hoo, hoo hoo
La4    La
If I could you know I would
   Re2   Re                 La4    La
If I could I would let it go
 La4    La          Re2   Re  Re2   Re
           This desperation,
      La4    La   La4    La
dislocation,
     Re2   Re    Re2   Re
separation condemnation,
     La4    La     La4    La
revelation, in temptation
    Re2   Re   Re2   Re
isolation, desolation
       La         Re
Let it go and so fade away
          La   Re
To let it go, oh yeah, and so fade away
          La      Re
To let it go, oh lord, and so to fade away
          La               Re
I'm wide awake, I'm wide awake
      Sol2  Re           La4   La   La4   La
wide awa  -  ake, I'm not slee - ping
     Re2   Re     Re2   Re
oh, no,      no, no

La4  La   La4  La Re2  Re   Re2  Re  La
```
