

Beautiful day - U2

La Sim Re Sol Re La Sim Re Sol Re La

La Sim Re Sol

The heart is a bloom

Re

La

Shoots up through the stony ground

Sim Re Sol

But there's no room

Re

La

No space to rent in this town

Sim Re Sol

You're out of luck

Re

La

And the reason that you had to care

Sim Re Sol

The traffic is stuck

Re

La

And you're not moving anywhere

Sim Re Sol

You thought you'd found a friend

Re

La

To take you out of this place

Sim Re Sol

Someone you could lend a hand

Re

La

In return for grace

La5 Si5 Re5 Sol5

It's a beautiful day

Re5

La5

The sky falls and you feel like

Si5 Re5 Sol5

It's a beautiful day

Re5

La5

Don't let it get away

La Sim Re Sol

You're on the road

Re

La

But you've got no destination

Sim Re Sol

You're in the mud

Re

La

In the maze of her imagination

Sim Re Sol

You love this town

Re

La

Even if it doesn't ring true

Sim Re Sol

You've been all over

Re

La

And it's been all over you

La5 Si5 Re5 Sol5

It's a beautiful day

Re5

La5

Don't let it get away

Si5 Re5 Sol5

It's a beautiful day

Re5 La5

Bridge:

Sol9 Sol
See the world in green and blue
Re5 Re4 Re
See china right in front of you
Sol9 Sol
See the canyons broken by cloud
Re5 Re4 Re
See the tuna fleets clearing the sea out
Sol9 Sol
See the Bedouin fires at night
Re5 Re4 Re
See the oil fields at first light and
Sol9 Sol
See the bird with a leaf in her mouth
 Re La
After the flood all the colours came out
(Silence over vocals)
