U2 - City of blinding lights

```
Mi La Re

La                  La          La
The more you see the less you know
Re                          Re
The less you find out as you go
La              La   La
I knew much more then
Re         Re
than I do now
La                  La          La
Neon heart day glow eyes
Re                          Re
A city lit by fireflies
La              La   La
They're advertising in the skies
Re         Re
For people like us
Do9   Re
And I miss you when you're not around
Do9   Re
I'm getting ready to leave the ground….
Mi  La   Mi   La
Ooooooooh

Don't look before you laugh
Re                          Re
Look ugly in a photograph
La              La   La
Flash bulbs purple irises
Re                          Re
The camera can't see
La                  La          La
I've seen you walk unafraid
Re                          Re
I've seen you in the clothes you made
La                  La          La
Can you see the beauty
Re         Re
inside of me?
La   La    La                      Re          Re
What happened to the beauty I had inside of me
Do9   Re
And I miss you when you're not around
Do9   Re
I'm getting ready to leave the ground
Mi  La   Mi   La
