# *U2 - Desire*

```
Mi
   Yeah
Re La Mi Mi4 Mi     x4
Re La Mi Mi4 Mi
Lover
            Re La Mi Mi4 Mi
I'm off the streets,
                  Re      La    Mi Mi4 Mi
Gonna go where the bright lights,
                 Re La Mi Mi4 Mi
And the big city meet,
                         Re            La
With a red guitar ...   on fire,
  Re La Mi Mi4 Mi   Re La Mi Mi4 Mi
Desire.
          Re La Mi Mi4 Mi
She's the candle,
              Re La Mi Mi4 Mi
Burning in my room,
             Re La Mi Mi4 Mi
I'm like the needle,
           Re La Mi Mi4 Mi
Needle and spoon,
         Re La Mi Mi4 Mi
Over the counter,
       Re La Mi Mi4 Mi
With a shotgun,
       Re La Mi Mi4 Mi
Pretty soon,
          Re La Mi Mi4 Mi
everybody got one.

        Re              La
And the fever        beside her,
             when I'm
  Re La Mi Mi4 Mi   Re La Mi Mi4 Mi
Desire.
  Re La Mi Mi4 Mi   Re La Mi Mi4 Mi
Desire.
        Re              La
And the fever, getting higher
  Re La Mi Mi4 Mi   Re La Mi Mi4 Mi
Desire.
  Re La Mi Mi4 Mi   Re La Mi Mi4 Mi
Desire.

Re    La      Re      La
Bur - ning    bur - ning.

She's the dollars,
N.C.
She's my protection,
N.C.
Yeah, she's the promise,
N.C.
In the year of election,
N.C.
Ah, sister, I can't let you go,
N.C.
I'm like a preacher stealing hearts at a travelling show,
For love or money, money, money, money, money
Money, money, money, money, money

        Re              La
And the fever, getting higher
