U2 - In god's country

```
Re   Lam 5v
Re   Lam
Yeah
Re          Lam
Desert Sky
                Re          Lam
Dream beneath a desert sky
                     Re          Lam
The rivers run but soon run dry
            Re             Lam
We need new dreams tonight
Re          Lam
Desert rose
                Re          Lam
Dreamed I saw a desert rose
              Re                  Lam
Dress torn in ribbons and in bows
      Re                Lam
Like a siren she calls to me
Mim           Sol      Re    Mim        Sol    Re
Sleep comes like a drug... In God's Country
Mim       Sol           Re    Mim        Sol    Re
Sad eyes crooked crosses... In God's Country
Re       Lam
Yeah aah aah
Re       Lam
Yeah aah aah
        Re     Lam
Set me alight
                          Re                  Lam
We'll punch a hole right through the night
             Re           Lam
Everyday the dreamers die
                  Re          Lam
See what's on the other side
       Re        Lam
She is Liberty
                Re          Lam
And she comes to rescue me
                Re         Lam
Hope, faith, her vanity
                Re       Lam
The greatest gift is gold
Do            Sol      Re    Mim        Sol    Re
Sleep comes like a drug... In God's Country
Do        Sol           Re    Mim        Sol    Re
Sad eyes crooked crosses... In God's Country

Re           Lam
Naked flame
                  Re           Lam
She stands with a naked flame
                Re             Lam
I stand with the sons of Cain
                Re           Lam
Burned by the fire of love
                Re           Lam
Burned by the fire of love
Re
Ooh aah ooh ooh ooh aah aah
Re
Ooh aah ooh ooh ooh aah aah
