```
La#m Sol# Fa#7+ Re#2 Re#4
La#m Fa La#m La#4 La#m La#2

        La#m
Love is blindness
        Sol#
I don't want to see
          Fa#7+
Won't you wrap the night
 Re#2
Around me
La#m          Fa
 Oh my heart
        La#m       La#4 La#m La#2
Love is blindness
     La#m
In a parked car
     Sol#
In a crowded street
    Fa#7+
You see your love
Re#2
Made complete
          La#m
Thread is ripping
            Fa
The knot is slipping
        La#m       La#4 La#m La#2
Love is blindness
        La#m
Love is clockworks
    Sol#
And cold steel
Fa#7+      Re#2
Fingers too numb to feel
            La#m
Squeeze the handle
             Fa
Blow out the candle
        La#m       La#4 La#m La#2
Love is blindness
        La#m
Love is blindness
        Sol#
I don't want to see
          Fa#7+
Won't you wrap the night
 Re#2
Around me
La#m         Fa
 Oh my love
La#m
Blindness
         Si
A little death
        La#m
Without mourning
   Fa
No call
       La#m
And no warning
        Si          La#m
Baby a dangerous idea
     Fa
That almost makes sense
