U2 – Mysterious ways

```
La
Johnny take a walk
         Re
With your sister the moon
         La
Let her pale light in
   Mi
To fill up your room
            La
You´ve been living underground
Re
Eating from a can
            La
You´ve been running away
               Mi            La
From what you don´t understand, Ooh
La              Re
  She´s slippy   you´re sliding down
La                           Re
  She´ll be there when you   hit the ground, ah
La                       Re
  It´s alright, it´s alright, it´s alright
Do                  Sol
 She moves in mysterious ways
La                       Re
  It´s alright, it´s alright, alright
Do                   Sol
  she moves in mysterious ways, ah ah ah
intro riff
La
Johnny take a dive
            Re
With your sister in the rain
         La
Let her talk about the things
     Mi
You can´t explain
      La
To touch is to heal
     Re
To hurt is to steal
        La
If you want to kiss the sky
         Mi              La
Better learn how to kneel, on your knees boy!
La                Re
  She´s the wave   she turns the tide
La                              Re
  She sees the man inside the   child!
La                       Re
  It´s alright, it´s alright, alright
Do                   Sol
  She moves in mysterious ways, ah ah ah
La                       Re
  It´s alright, it´s alright, alright
Do                   Sol
  She moves in mysterious ways, eh
La                        Re
  It´s alright, it´s alright, alright
Do                Sol
  Lift my days, Light up my nights, oh
Lam               Re
  One day you´ll look  back
            Do                   Sol
And you´ll see  where you were held  how
```

```
         Lam                      Re
By this love  while you could stand  there
           Do
You could move on this moment
Sol
Follow this feeling
La                        Re
  It´s alright, it´s alright, alright
Do                   Sol
  She moves in mysterious ways
La                        Re
  It´s alright, it´s alright, alright
Do                   Sol
  She moves in mysterious ways, oh oh ah
La                        Re
  It´s alright, it´s alright, alright
Do                     Sol
  We move through miracle days
La                        Re
  It´s alright, it´s alright, alright
Do                      Sol
  Spirit moves in mysterious ways
La                         Re
  It´s alright, it´s alright, alright
Do                 Sol
  Lift my days, Light up my nights, oh
```
