```
La          Mi
Baby slow down
Fa#m                Do#m
The end is not as fun as the start
La              Mi                          Fa#m      Do#m
Please stay a child somewhere in your heart
Sol                   Re          La
I'll give you everything you want
Sol           Re                 La
Except the thing that you want
Lam           Do                   La
You are the first one of your kind
         La          Fa#m
And you feel like no-one before
     Do#m          Mi
You steal right under my door
La                   Fa#m
And I kneel 'cos I want you some more
            Do#m
I want the lot of what you got
            Mi
And I want nothing that you're not
La               Fa#m
Everywhere you go you shout it
Do#m                   Mi
You don't have to be shy about it
La                                    Mi
Some things you shouldn't get too good at
Fa#m                          Do#m
Like smiling, crying and celebrity
La                Mi                          Fa#m
Some people got way too much confidence baby
Do#m
Baby
Sol                   Re          La
I'll give you everything you want
Sol           Re                 La
Except the thing that you want
Lam           Do                   La
You are the first one of your kind
         La          Fa#m
And you feel like no-one before
     Do#m          Mi
You steal right under my door
La                   Fa#m

You don't have to be shy about it, no
Oh no, oh no no, oh
Sol             Re
Do-do do-do, do-do do-do
La
Do-do do-do, do-do do-do
Sol             Re
Do-do do-do, do-do do-do
