U2 - Sometimes you can't make it on your own

```
La La La/Sol La/Sol La/Fa#  Re

La          La/Sol
Tough, you think you've got the stuff
       La/Fa#           Re2
You're telling me and anyone
La
You're hard enough
    La
You don't have to put up a fight
    La/Sol
You don't have to always be right
La/Fa#                          Re2
      Let me take some of the punches
    La
For you tonight
Re   Re             La
    Listen to me now
  La                Fa#m
I need to let you know
    Fa#m                   Re
You don't have to go it alone
         Fa#m                         Mi
And it's you when I look in the mirror
         Re                                Re
And it's you when I don't pick up the phone
  Fa#m                Mi                   Re
Sometimes you can't make it    on your own
   La                   La/Sol
We fight      all the time
        La/Fa#            Re2
You and I...   that's alright
          La
We're the same soul
        La                 La/Sol
I don't need...   I don't need to hear you say
           La/Fa#        Re2
That if we weren't so alike
                La
You'd like me a whole lot more
Re    Re             La
     Listen to me now
  La                   Fa#m
I need to let you know
    Fa#m                   Re    Re
You don't have to go it alone
          Fa#m                        Mi
And it's you when I look in the mirror
          Re                               Re
And it's you when I don't pick up the phone
 Fa#m                  Mi                   Re
Sometimes  you can't make it    on your own
Fa7+ - Do - Rem
                I know that we don't talk
Fa7+ - Do   -   Lam
             I'm sick of it all
Fa7+ - Do     -     Rem
           Can you  -  hear - me - when - I -
La      La        Fa#m                 Fa#m
Sing,       you're the reason I sing
Re                Mi         La

I've got to let you know
  La                            Fa#m
A house still doesn't make a home
      Fa#m             Re     Re
Don't leave me here alone...
          Fa#m                       Mi
And it's you when I look in the mirror
          Re                                Re
And it's you that makes it hard to let go
Fa#m                  Mi                   Re
Sometimes you can't make it    on your own
 Fa#m                 Mi
Sometimes you can't make it
              Re                 Re
The best you can  do    is to fake it
 Fa#m                 Mi           Re
Sometimes you can't make it    on    your own
