

The Greatest show on earth - U2

Re
If I couldn't sing
Sim La
How love's the hardest easy thing
Sol
And if I couldn't sing you my life
Hiding here in the spotlight
Re
And if you couldn't hear me
Sim La
If I couldn't feel
Sol
If I couldn't feel your touch again
When nerve ends fray and there's nothing to say
Re
Not even a prayer
It's a beautiful night somewhere
Re
(Ooh) Oh-oh-oh-oh
Sim
(Ooh) Oh-oh-oh-oh
La Sol
(Ooh, ooh) If I couldn't say it now
Tell me how
Sim La
If this is love, and love is all we've got
Mim
You can show me what it is
Sol
I can show you what it's not
Sim La
If this is love, don't act suprised when you get hurt
Sol
Even if our dreams lay in the dirt
Re
We were once the greatest show on earth
Re
Is that a smile or a tear?
Sim La
Is it all show business here?
Sol
The cinema that is stained glass
Sim
You're at the altar at our wedding mass
Re
Is this a church of love or fear?
Have we made God feel like a stranger here?
Re
(Ooh) Oh-oh-oh-oh
Sim
(Ooh) Oh-oh-oh-oh
La Sol
(Ooh, ooh) Say it now

Tell me how

Sim La
If this is love, and love is all we've got
Mim
You can show me what it is
Sol
I can show you what it's not
Sim La
If this is love, we make cathedrals of our hurt
Sol
People digging their dreams out of the dirt

We were once the greatest show on earth

Sim
Love is a business that works at night
La
I sold myself for less than was right
Mim
You taught me what I was worth
Sol
In the greatest show on earth
Sim
Made a profession out of breaking your heart
La
You call it lies, I call it art
Mim
I was some of your best work
Sol
We were once the greatest show on earth
Sim
Love is a business you shouldn't trust
La
Breathe on me and I'm love and I'm lust
Mim
Forever or a flirt?
Sol
The greatest show on earth
Sim
The light scatters things can get worse
La
These dark matters of the universe
Sol
Could not compete with us
Sim Re
We were once the greatest show on earth
