# *U2 - The unforgettable fire*

```
Rem             Sib
Ice, your only rivers run cold
           Rem                  Sib
These city lights, they shine in silver and gold
             Rem                  Sib             Rem      Sib
Dug from the night, your eyes as black as coal
Fa      Do
       Walk on by, walk on through
Mib                              Sib
Walk till you run and don't look back
           Rem      Sib
For here, I am
     Rem                     Sib                              Rem
Carnival, the wheels fly and the colours spin, through alcohol
               Sib
Red wine that punctures the skin
        Rem                 Sib
Face to face, in a dry and waterless place
Fa      Do
       Walk on by, walk on through
   Mib                           Sib
So sad to besiege your love so head on
Fa               Do
Stay this time, stay tonight in a lie
Mib                   Sib
I'm only asking but I, I think you know
Fa                     Do
    Come on, take me away
                  Solm
Come on, take me away
                 La          Rem
Come on, take me home, home again
Rem   Sib   Rem   Sib
Rem   Sib   Solm   La
Rem   Sib   Rem   Sib
Fa                               Do
   And if the mountains should crumble
       Mib                        Sib
Or disappear into the sea, not a tear, no, not I
Fa                  Do
Stay in this time, stay tonight in a lie
Mib        Sib
Ever after, there's love in time
           Fa                 Do
And if you save your love, save it all save it all
      Solm                     La               Rem
Don't push me too far, don't push me too far, tonight, tonight
```
