Do#m

Do#m
Sometimes I feel like I don't know,
Do#m                            Sol#m
sometimes I feel like checking out
               Sol#m                     Fa#
I wanna get it wrong, can't always be strong,
                       Do#
and love it won't be long
Mi Mi/Sol# La 2x
Mi         Mi/Sol#
Oh sugar, don't you cry,
La
oh child wipe the tears from your eyes
Mi                   Mi/Sol#
You know I need you to be strong,
         La
and the day it is dark as the night is long
Do#m                   Si
Feel like trash, you make me feel clean
La
I'm in the black, can't see or be seen
Do#m         Si             La
Baby, baby, baby, light my way, alright now
Do#m         Si             La
Baby, baby, baby, light my way
Mi                 Mi/Sol#  La
You bury your treasure where it can't be found
Mi                        Mi/Sol#  La
But your love is like a secret that's been passed around
Mi                        Mi/Sol#                    La
There is a silence that comes to a house where no one can sleep
Do#m             Si                 La
I guess it's the price of love, I know it's not cheap, oh come on
Do#m         Si             La
Baby, baby, baby, light my way, oh come on
Do#m         Si             La
Baby, baby, baby, light my way
Mi    Si         Do#m  La
Ooooh, ultraviolet   ultraviolet
Mi    Si         Do#m  La
Ooooh, ultraviolet   ultraviolet
Do#m          Si              Mi     La
Baby, baby, baby, light my way
Mi   Mi/Sol#                  La
I remember when we could sleep on stones
Mi          Mi/Sol#            La
But now we lie together in whispers and moans
Mi          Mi/Sol#                      La
When I was all messed up, and I had opera in my head
Do#m             Si                 La
Your love was a lightbulb hanging over my bed
Do#m         Si             La
Baby, baby, baby, light my way, oh come on
Do#m         Si             La
Baby, baby, baby, light my way
Mi    Si         Do#m  La
Ooooh, ultraviolet   ultraviolet
Mi    Si         Do#m  La
Ooooh, ultraviolet   ultraviolet
Do#m         La     Mi             Si
Baby, baby, baby, baby, baby, baby,
Do#m         La              Mi     Si
Baby, baby, baby, light my way, yeah
