Mi5                Re/Mi
Mi Mi Mi Mi Mi Mi Mi4 Mi  4 volte
Re/Mi
Sim                   Re
Haven't seen you in quite a while
      Mim
I was down the hold, just passing time
Sim                      Re
Last time we met was a low-lit room
           Mim
We were as close together as bride and groom
Re2               La9
We ate the food, we drank the wine
Mim                       Re/Sol
Everybody having a good time
            Re2
Except you
             La9
You were talking about the end of the world
Mi Mi Mi Mi Mi Mi Mi4 Mi  4 volte
Sim                 Re
I took the money, I spiked your drink
    Mim
You miss too much these days if you stop to think
Sim                        Re
You led me on with those innocent eyes
    Mim
You know I love the element of surprise
Re2                  La9
In the garden I was playing the tart
  Mim                    Re/Sol
I kissed your lips and broke your heart
    Re2            La9
You, you were acting like it was the end of the world
Mi Mi Mi Mi Mi Mi Mi4 Mi  4 volte
Sol Re La La 3 volte
Sim Re
Re/Mi   Sim      Re
La la la la La la la la

      Sim         Re

      Mim
La la la la la la
Sim                 Re
In my dream I was drowning my sorrows
       Mim
But my sorrows they learned to swim
Sim              Re
Surrounding me, going down on me
Mim
Spilling over the brim
Re               La
Waves of regret, waves of joy
  Mim                         Re/Sol
I reached out for the one I tried to destroy
    Re2            La9
You, you said you'd wait 'til the end of the world.
