U2 - Walk on

```
Re       Do                       Sol
And love   is not the easy thing
                Sol
The only baggage that you can bring
Re       Do                       Sol
And love   is not the easy thing
                Sol
The only baggage you can bring
                Sol
Is all that you can't leave behind
Re La Sol Mim
Re La Sol Mi
Re              La             Sol        Mim
  And if the darkness is to keep us a-part...
Re              La                 Sol               Mim
  And if the daylight feels like it's a long way off...
Re             La                  Sol
  And if your glass heart should crack
          Mim              Re
And for a second you turn back
   La      Mi       Miesus4
Oh no, Be strong  oh...oh....
      Re       La
Walk on, Walk on
          Sol
What you got they can't steal it
   Mim
No they can't even feel it
      Re       La
Walk on, Walk on
Sol            Mi
 Stay safe tonight
Re                    La             Sol                       Mim
  You're packing a suitcase for a place, none of us has been...
Re              La                  Sol      Mim
  A place that has to be believed, to be seen...
Re                La
  You could have flown away
  Sol                   Mim
A singing bird, in an open cage
         Re         La               Mi        Miesus4
Who will, only fly, only fly, for freedom  Oh...oh....
     Re        La
Walk on, Walk on
            Sol
What you've got they can't deny it
      Mim
Can't sell it, or buy it
     Re        La
Walk on, Walk on
Sol                Mi
 You stay safe tonight
      Re                        La
And I know it aches, and your heart it breaks
            Mi                 Mi
And you can only take so much
     Sim Sol Mim La
Walk on...
Sim Sol Mim La
La La La Re
Re   La           Sol                            Mim
Ho-ome, Hard to know what that is, if you've never had one
Re   La           Sol                       Mim
Ho-ome, I can't say where it is, but I know I'm going

Ho-ome, That's where the hurt is
      Re                        La
And I know it aches, and your heart it breaks
            Mi            Mi
And you can only take so much
     Mim  Sol  Re  La
Walk on..
             Mim                    Sol
All that you fashion, all that you make
             Re                   La
All that you build, all that you break
             Mim                    Sol
All that you measure, all that you feel
             Re           La
All this you can leave behind
             Mim                 Sol
All that you reason, needs only time
             Re            La
All that I'm feelin on my mind
             Mim                  Sol
All that you sense, all that you scheme
        Re                          La
All you dress up, and all that you seem
End on : Re
