The Weeknd - Often

Solm Dom Rem Fa

Solm Dom
I usually love sleeping all alone
Rem
This time around bring your friend with you
Fa
But we ain't really going to sleep at all
Solm
You ain't gonna catch me with them sneak pictures
Dom
In my city I'm a young god
Rem
That pussy kill be so vicious
Fa
My god white, he in my pocket

Get me redder than the devil 'til I go nauseous

Solm Mib
Ask me if I do this every day, I said "Often"
Dom
Ask how many times she rode the wave, "Not so often"
Fa
Bitches down to do it either way, often
Solm
Baby I can make that pussy rain, often
Mib
Often, often, girl I do this often
Dom
Make that pussy poppin', do it how I want it
Fa
Often, often, girl I do this often

Make that pussy poppin', do it how I want it
Solm
Often

Dom
Infatuated by the fame status
Rem
She wanna ride inside the G-Class Grain, matted
Fa
I come around, she leave that nigga like he ain't matter
Solm
That girl been drinkin' all day, need to change bladder
Dom
She's just happy that the crew's back in town
Rem
She's 'bout to go downtown for a whole hour
Fa
If I had her, you can have her, man it don't matter

I'm never sour, I'm just smokin' somethin' much louder

Solm Mib
Ask me if I do this every day, I said "Often"
Dom
Ask how many times she rode the wave, "Not so often"
Fa
Bitches down to do it either way, often
Solm
Baby I can make that pussy rain, often
Mib
Often, often, girl I do this often

                                                  Dom
Make that pussy poppin', do it how I want it
                                        Fa
Often, often, girl I do this often

Make that pussy poppin', do it how I want it
Solm
Often

Solm                Dom
Oooh, the sun's risin' up
               Rem
The night's almost up
               Fa
The night's almost done
       Solm
But I see your eyes
           Dom
You wanna go again
            Rem
Girl, I'll go again
            Fa
Girl, I'll go again

Solm                                                Mib
Ask me if I do this every day, I said "Often"
                                                          Dom
Ask how many times she rode the wave, "Not so often"
