The Weeknd - Save your tears

```
Do
Ooh, na na, yeah

Do          Lam                        Mim
  I saw you dancing in a crowded room
            Sol
You look so happy when I'm not with you
Do              Lam                               Mim
  But then you saw me, caught you by surprise
         Sol
A single teardrop falling from your eyes

Do              Lam    Mim       Sol
  I don't know why I run away
Do               Lam         Mim       Sol
  I'll make you cry when I run away

Do              Lam                                 Mim
  You could've asked me why I broke your heart
             Sol
You could've told me that you fell apart
Do                Lam                             Mim
  But you walked past me like I wasn't there
            Sol
And just pretended like you didn't care

Do         Lam         Mim       Sol
  I don't know why I run away
Do               Lam         Mim       Sol
  I'll make you cry when I run away

Rem         Lam                        Fa
   Take me back 'cause I wanna stay ay
            Sol
  Save your tears for another
Do           Lam                     Mim   Sol
  Save your tears for another day
Do            Lam                    Mim   Sol
   Save your tears for another day

Do             Lam                                Mim
   I made you think that I would always stay
               Sol
  I said some things that I should never say
Do                   Lam                                  Mim
  Yeah, I broke your heart like someone did to mine
                     Sol
  And now you won't love me for a second time

Do              Lam    Mim       Sol
