The Weeknd - The Hills

Mim - Mim - Mim - Mim

```
Sim                                      La
Your man on the road, he doing promo
Sol                                           La
You said keep our business on the low-low
Mim
I'm just tryna get you out the friend zone
Sol                                             La
'Cause you look even better than the photos
Sim                                           La
I can't find your house, send me the info
Sol                                        La
Driving through the gated residential
Mim
Found out I was coming, sent your friends home
Sol
Keep on tryna hide it but your friends know

                            Sim
I only call you when it's half past five
                          La  Sol
The only time that I'll be by your side
                       La   Mim
I only love it when you touch me, not feel me
When I'm fucked up, that's the real me
     Fa#m  Sol
When I'm fucked up, that's the real me, yeah
                            Sim
I only call you when it's half past five
                        La  Sol
The only time I'd ever call you mine
                       La   Mim
I only love it when you touch me, not feel me
When I'm fucked up, that's the real me
     Fa#m  Sol
When I'm fucked up, that's the real me, babe

Sim                                       La
I'ma let you know and keep it simple
Sol                                          La
Tryna keep it up, don't seem so simple
Mim
I just fucked two bitches 'fore I saw you
Sol                                      La
You gon' have to do it at my tempo
Sim                                     La
Always tryna send me off to rehab
Sol
Drugs started feeling like it's decaf
Mim                                          La
I'm just tryna live life for the moment
Sol
And all these motherfuckers want a relapse

                            Sim
I only call you when it's half past five
                          La  Sol
The only time that I'll be by your side
                       La   Mim
I only love it when you touch me, not feel me
When I'm fucked up, that's the real me
     Fa#m  Sol
When I'm fucked up, that's the real me, yeah

Sim                                 La
Hills have eyes, the hills have eyes
        Mim                     Sol
Who are you to judge, who are you to judge?
Sim                                 La
Hide your lies, girl, hide your lies
     Mim                   Sol
Only you to trust, only you

                            Sim
I only call you when it's half past five
                          La  Sol
