Conchita Wurst - Rise like a phoenix

```
Rem
Waking in the rubble
Lam/Do
Walking over glass
Solm
Neighbours say we're trouble
Lasus4                La
Well that time has passed
Rem
Fearing from the mirror
Lam/Do
No, that isn't me
Solm
A stranger getting nearer
Lasus           La
Who can this person be?
Solm           Rem/Fa             La
You wouldn't know me at all today
La7
From the fading light I fly

Solm
Rise like a phoenix
Sib
Out of the ashes
        Rem
Seeking rather than vengeance
Do                     Solm
Retribution, you were warned
              La                   Fa
Once I'm transformed, once I'm reborn
               Solm
You know I will rise like a phoenix
Lasus4             La
But you're my flame

Rem
Go about your business
Lam/Do
Act as if you're free
Solm
No one could have witnessed
Lasus4           La
What you did to me
Solm                   Rem/Fa
'Cause you wouldn't know me today
Mib  Mib/Re            Dom  Dom/Sib   La
